A screenshot of a Linux terminal window. The window title is "Terminal" and the system clock shows "Nov 19 8:22 PM". The terminal output shows the command "ibmcloud -v" being executed, resulting in the output "ibmcloud version 2.12.1+b8488a1-2022-10-31T15:08:10+00:00". The prompt "username@rishabh:~\$" is visible at the start and end of the command line.

```
username@rishabh:~$ ibmcloud -v
ibmcloud version 2.12.1+b8488a1-2022-10-31T15:08:10+00:00
